

Bring your friends and family to Constitution Island's

REENACTMENT DAY!

August 29, 2015 9:30 a.m. - 4:30 p.m.

The Constitution Island Association is honoring Constitution Island's role in the Civil War and the American Revolution. Watch as soldiers from both wars fire muskets, rifles and cannons! See what camp life looks like for troops - we'll have inspections, drills and tactical formations. You'll get to visit the soldiers' camps and take a guided tour to the island's redoubts and batteries. We'll have music from the **West Point Band's Hellcats**, and the **West Point Cadet Black Knights Drill Team** will demonstrate their crack drill skills. Be prepared for the thrills of tall tales by master storyteller Jonathan Kruk. Hotdogs and drinks will be available, or pack a picnic lunch.

DIRECTIONS: A boat will leave West Point's South Dock every half hour from 9:30 am to 3:30 pm. Last boat will depart Constitution Island at 4:30 pm - no boats leaving from Garrison Landing this year - For those coming from the east side of the Hudson, buses from the Cold Spring Metro-North Train Station will begin taking guests to the Island at 9:30 am and will shuttle through the last schedule departure at 4:30 pm. First come - first served. Please bring photo ID - driver's license or passport (16 and over).
